

Tait, Heartache

Half of you has been taken
The other half is barely holding on
You set a course across the ocean
You had a dream
And now it's all but lost
But I want you to know
I won't let you go

Oh my heart aches for you
Oh my heart breaks for you
Oh my heart bleeds for you
Whatever may come
I'll stand by you

Who you are is amazing
A precious soul so beautifully made
It hurts to see your life fading
But Heaven knows every tear you've cried
Oh yeah
And I want you to know
I'll never let you go

Oh my heart aches for you
Oh my heart breaks for you
Oh my heart bleeds for you
Whatever may come
I'll stand by you

You are so amazing
Keep the light from fading
