Tait, Spy

I've watched you watchin' me But I can't see what you see You ask me how I feel But you don't believe me still

No Cause what I say Is here today And gone tomorrow

CHORUS
You treat me like a spy
When I come around
Just like a private eye
Roamin' through your town
You treat me like a spy
And I can't see why
If only looks could kill

You taunt me
You doubt my faith
But you shove it in my face
You tempt me
But I won't bend
You've wasted your time again

Yeah And it's a shame Will you ever change You're so suspicious

CHORUS

You treat me like a You treat me like a You treat me like a spy
