

Take 6, Can't Keep Goin' On And On

Sometimes I feel so all alone
Heartache is like a danger zone
Somewhere there is a better place
Out there where love will find a way
Channel:

I know this train is rollin', I feel the track
I don't know where it's goin' but it's always rollin'
right back where we started, dj vu
This train of brokenhearted souls

Chorus:

I can't keep goin' on and on
I can't keep goin' on and on
I've been on this train so long
I can't keep goin' on
Faith knows that everything will change
Someday there'll be no more pain
