

Take That, Give Good Feeling

You've got to hold me, and control my dreams
I want you to fulfil my needs, I feel it babe
Something good is gonna happen
I can't believe in this world I see
I reach out to you, set me free from these chains
I'm holding on, trying hard
Just so you know I'm here waiting for you to

[CHORUS:]

Give good feeling to me
Baby I know this feeling won't go
Makes you want to be free
In a world where we fly, fly, fly

Don't let me go, I will be your prisoner
Hold me down and I will give you my reasons for
Loving you, needing you, can't do without ya
If you think I'm crazy for loving you baby
Then I will show you the feeling
Holding on, trying hard
Just so you know I'm here waiting for you to

[CHORUS]
