Take That, Hold Up A Light (She Said)

You can dance if you like You can sing every line of every song No, you dont have to steal the show It was your show all along

As the orchestra plays The people take the seats Theres no room left in this house Its only you and me And if life is your stage I'll be watching

(Chorus) Hold up a light for me(x3) Hold up a light for me ohhhh III be watching Hold up a light for me (x3) Hold up a light for me ohhhh And I'll be watching you.

Everything that you do As we start, rehearsing every scene The words to everything We realize that the crowd is listening And then the tears, fall down on your face In exactly the right place
