

Take That, Never Want To Let You Go

Lying here beside you, in a cloud of warmth
I've been awake all night but move
Though I know I should
Counting curls n your hair, as you sleep so tight
I wonder if you'll ever know 'till I go
The chances are you'll be there too some day
We'll never know, let's hope

CHORUS:

Never wanna let you go
Never wanna let you go
All I can do is hope
'Cause I never wanna let me go

Dreaming soft in silence, been working hard all day
Still in the night grows darker, I'm with you in every way

CHORUS

I don't know whether I'm trying to love, love you baby
Been round long enough to know
