

# Take That, Once You've Tasted Love

(Love. Once you've tasted love) x 4

Don't be sold a dream. Remember how the past has been  
Don't be led to believe this is one's for you  
Calculate your needs. I see there's room to plant your seeds  
Don't decide till you see how the others have grown

Once you've tasted love it is just the beginning of a new world  
Once you've tasted love there's no way you can give in  
Once you've tasted love

Still too early to know. Give them time and they will grow  
Don't believe that the first's the one for you  
Most will grow to be tall, others will break and fall  
Keep your eye on the strongest head of them all

Once you've tasted love it is just the beginning of a new world  
Once you've tasted love it is just the beginning  
Your head is spinning  
Once you've tasted love

Once you've tasted love it is just the beginning of a new world  
Once you've tasted love there's no way you can give in  
Can't control your mind and your head is still spinning  
Once you've tasted love is just the beginning  
Once you've tasted love

Once you've tasted love, you know it's good  
Come taste my love  
You know you should

RAP:

Came into my world and the badness disappeared  
Take my hand, don't be afraid, I'm gonna work off all your fears  
It feels so nice to be with you. Us two, we feel like a glove  
When I see your eyes I realise you too have tasted love

Once you've tasted love, you know it's good  
Come taste my love  
You know you should
