

Take That, Take That & Party

Come on, come on, come on, come on take that and party
Come on, come on, come on, take that:

Every part of you makes me feel that I've gotta touch you you know
If only you knew what's in my mind
I can't believe this girl

Come on, come on, come on, come on take that and party
Come on, come on, come on, take that:

Don't catch the fall when I play real hard
You'll never stop all my games
If you only knew what's in my mind
I can't believe this world
