

Take That, The Champion

Champagne from a fast-food restaurant
Paper cup
Candle conversations in a
Power cut
Sometimes broken plans can end up
Better than when they're not
Breaking up
So, I won't settle down
No, I won't settle down
For a while

And it feels like
It's been a long time coming

I'm a light-head dreamer
I am a little bit yesterday
I'm a nice try
I'm a little bit broken
I'm a last chance flying high
I'm a patched-up champion
Of the world
Feeling like a king
But I'm still broken
Yeah, I'm still broken

Headlights shine like diamonds in the
Pouring rain
Wrapped around the city making
Silver chains
Sometimes things look better
When you're looking from
Far away
Oh, yeah

And it feels like
It's been a long time coming

I'm a light-headed dreamer
I am a little bit yesterday
I'm a nice try
I'm a little bit broken
I'm a last chance flying high
I'm a patched-up champion
Of the world
Feeling like a king
But I'm still broken
Yeah, I'm still broken
Yeah, I'm still broken

I'm a patched-up champion of the world
I'm a light headed dreamer
I am a little bit yesterday
I'm a champion of the world
I'm a champion of the world
I'm a champion of the world
I'm a champion of the world
