

Take That, Why Can't I Wake Up With You

Can't decide if I should read or think
I'll keep an open mind, till the day sets in
Hear you call me, I'm so willing to call back
Hear you thinking, hope you hear me thinking too

CHORUS:

Why can't I wake up with you
S you're there when I open my eyes
Baby why can't I wake up with you
You're my life

I feel alive, so I'll just begin
Te rest my mind, before you ring me
Hear you thinking, hope you hear me thinking too

CHORUS

So good to be near you, so dark when you walk from my side
Baby why can't I wake up with you, you're my life, you're my life
