

Taken By Trees, Only Yesterday

Oh honey,
I really miss you.
Oh honey,
though it was only yesterday you kissed me.
And that kiss,
that kiss was so, so true.
I guess I should know better
when it comes to falling.
Yes, I should know better
when it comes to falling.
Oh honey,
I really miss you.
Oh honey,
If only you could hold me now.
'Cause you hold,
you hold me oh, so well.
I guess I should know better
when it comes to falling.
Yes, I should know better
when it comes to falling in love again.
Oh honey,
I really miss you.
Oh honey,
though it was only yesterday you kissed me.
And that kiss,
that kiss was so, so true.
I guess I should know better
when it comes to falling.
Yes, I should know better
when it comes to falling in love again...
