

# Takeoff, Crypto (feat. Rich The Kid)

Let's go  
She want the info (She do)  
I wanna to talk about crypto  
I'm tryna leave that boy bloody (Ooh)  
Like Bron' when he threw the elbow (Bron')  
Strings sticky, cup muddy (Mud)  
Closet lookin' like Rodeo (Come look)  
Twenty chickens in the kitchen (They all bad)  
It was just me and Roekado (Let's get it)

He miss them, sent them on a mission (Mission)  
My fingers itchin' 'cause of Benji's (Itchin')  
Ain't poured dirty in a minute (Drank)  
Don't worry 'bout it, mind your business (The fuck is you)  
Servin' OG like it's Wendys (OG)  
I'm in they mouth, no dentist (Doctor Lee)  
Give a fuck about a image (A what?)  
When we see them boys we scrimmage (Run)  
Big bank bussin' (Damn)  
Big bang bussin' that's cold (That's froze)  
Eenie meenie miney, which hoe? (Which one?)  
Which flow did the pretty bitch go? (Where?)  
I got some, but I really want more  
Any weather I'ma shine, any weather I'ma glow (It don't matter, I'mma shine)  
We run the globe, step on that boy without usin' my toes  
How you do that?

I wanna talk about crypto, get milli's  
Shout my shotter, like big up the skelly  
A check on me now, but I'm chasin' the billy  
Bank account bussin' I'm rich like really (Really)  
Stand back, my diamonds they bite (All night)  
New baguettes in the ring, they fight (They fight)  
Yeah, bitch I drop five hundred thou' on a Audemar wrist  
But I still can't buy the bitch a first-class flight  
I'ma pop a blue pill, I'ma fuck her all night (All night)  
On X, I'm bussin', it's aight (Aight)  
Put a thumb in her booty, 'cause that's what she like (What?)  
Badass kid like Dennis the Menace  
Open her mouth, on her face I'ma finish  
Stay in the lab, I'm a mo'fucking chemist  
She flip on the dick, she a mo'fucking gymnast  
Eenie meenie miney moe, which hoe? (Which hoe?)  
Man, I done had the baddest three in a row (In a row)  
I X 'em out like tic-tac-toe (Tic-tac-toe)  
You seem bad, then your friend can go  
I told the bitch, "You can learn from me" (Learn from me)  
Let me hit it from the back, gon' turn for me (Turn for me)  
She want the info (Info)  
I treat the bitch like a rental (Rental)  
Why does it fill up with crypto?
