

Takida, Leave Me Alone

Can I be on my own, wont you give up the phone, yeah, leave me alone
Can I be on my own, you don't have to go on, yeah, leave me alone

I walk around, thinking about what's on your mind
I don't wanna lie, I recall what's on your mind

Have you had enough, don't call me again
Cause the blackness in your eye is there, it's failing
