

Taking Back Sunday, Bike Scene

I'll leave the lights down low
So she knows
I mean business
And maybe we could talk this over
Because i could be your best bet
Let alone your worst ex
Let alone your worst...

I wanna hate you so bad
But i can't stop this
Anymore than you can

So honestly
How could you say those things
When you know they dont mean anything?
And you know very well
That I cant keep my hands to myself
Hands to myself

I wanna hate you so bad
But I can't stop this
Anymore than you can

And this is all wrong, and it shows
The certain things I promised
Not to let you know, not to let you know
I never, never...

(girl)
Got this silly way of keeping me up on the edge of my seat,
Got this silly way of keeping me up on the...

You've got this silly way of keeping me on the edge of my seat
But you're only counting the clock against the train and I'm miserable,
and your just getting started
I'm miserable

(girl)
I'll be singing while you're keeping me up on the edge of my seat,
I'll be singing while you're keeping me up on the edge...

You've got me right where you want me
Let's never talk, let's never, let's never talk about this again
Because i didn't want it to mean that much to me
I didn't want it to mean that much to me
I didn't want it to mean that much to me anyway
