

Taking Back Sunday, You're My Angel

Looking in to your eyes
I see all I want to be
And I don't want it to end
If I could only put two words the way I see you
I only know I had an angel with me now
And when I fall asleep, you're all that I see
You're in my thoughts and all of my prayers
I wish I could be all that you mean to me
My angel without wings
My angel
I wish you could see all that you mean to me
But I could never find the words to tell you
And when I fall asleep, you're all that I see
You're in my thoughts and all of my prayers
I wish I could be all that you mean to me
And when I fall asleep, you're all that I see
You're in my thoughts and all of my prayers
I wish I could be all that you mean to me
My angel without wings
