

Taking Back Sunday, Your My Angel

looking into your eyes
i've seen all I want to be
and I don't want it to end
if I could only put two words the way I see you
I only know I had an angel with me now

and when I fall asleep your all that I see
your in my thoughts and all of my prayers
I wish I could be all that you mean to me
my angel without wings

my angel

I wish you could see all that you mean to me
but I could never find the words to tell you

and when I fall asleep your all that I see
your in my thoughts and all of my prayers
I wish I could be all that you mean to me

and when I fall asleep your all that I see
your in my thoughts and all of my prayers
I wish I could be all that you mean to me
my angel without wings
