

Taleesa, I Found Love

Singing hi-dee-hi-dee, singing hi-dee-ho
This is for my love and I can't let go
Hi-dee-hi-dee, singing hi-dee-ho
This is for my love and I can't let go
'Cause I found love
Hi-dee-hi-dee, I found love
I found your love

Hi-dee-hi, hi-dee-ho
Your love is what I want to know
Hi-dee-hi, hi-dee-ho
What truth's from love that's what I know
Took my time now come let's go
First my friend but now my love
Now I understand the meaning

Come to divide that's natural feeling
Give me what I want. Give me what I need
Let me be the one 'cause my heart is real
Give me what I want. Give me what I need
Rest into my arms and you...

Come give me some, come give me some
Come give me some some loving
Come give me some, come give me some
Come give me some some loving

I want love and you want love
That's the way we feel it
Touch my lips when I touch yours
I know you know the meaning
You've got what I want. You've got what I need
Let me be the one 'cause my heart is real
You've got what I want. You know want what I need
Rest into my arms and you...

And I wonder wonder what is driving me wild
This is for my love. We're flying high
Wonder wonder what you're doing to me
This is for my love. I'm finally free
'Cause I found love. I'm finally free
'Cause I found love. I found your love
