

# Tales Of DJ Phillip, All Night Long (Tom-X Rmx)

The Hope Has Gone  
Blood Rivers will flow  
Don't close your eyes  
You're in Danger

The Hate Has Born  
The Pain Overgrows  
Fulfill your heart  
With Anger

REFRO

Oh  
I Saw my life as drawn  
And Tomorrow  
Will be my Turn to Die

Oh  
I Fall on the cold floor  
My Bleeding Hands  
Show me that end is close

The Skies are covered  
By clouds at all  
This war is driving me  
To madness

My Eyes Are Closed  
And my life is Over  
My Pain Ceased  
Under a Midnight Sun

REFRO

Oh  
I Saw my life as drawn  
And Tomorrow  
Will be my Turn to Die

Oh  
I Fall on the cold floor  
My Bleeding Hands  
Show me that end is close

SOLOS

There's a price  
I Won't Pay  
Fight the war  
Is The Wro... ong Way

I Cry for you again  
Every time it Remains  
Come to my mind  
Is There a Way I May Find?

Oh  
My Life is Passing By  
Like a Movie, I Cry

Oh  
I weap in Dispair  
My tears are everywhere  
Soon will dry

Go

Go to the Paradise  
Fly away, arrive

So  
We will meet again  
Find your Way of Life

VOCALIZACAO

No  
You fought a Loosing War  
You went to this fire storm  
And Died

Oh  
Death is all Around  
Your Love Left Behind  
For pride
