

# Tali, Blazin'

Blaze, Blaze, Blaze, Blaze, Blaze, Blaze, Blaze  
Blazing a Lyrical Trail through your mind  
And so this is how I like my beats to roll.  
Tali coming in to bust up the place.  
Better run if you dont wanna roll with my bass  
Blazing a Lyrical Trail through your mind  
And so this is how I like my beats to roll.  
Cos the styles that I got keep me in the game  
So you all cant forget my name.

Born on the west of the north where the currents wash me,  
with their lyrical ability. Grew up writin rhymes in my mind all the time  
Hoping one day I would find a chance to shine,  
Then one night I got a set on the mic, all right.  
Bring it tight, I got the crowd all hyped,  
And Now, dropping beats in the studio, This is how I flow,  
And it's time you should know

Blazing a Lyrical Trail through your mind  
And so this is how I like my beats to roll.  
Tali coming in to bust up the place.  
Better run if you dont wanna roll with my bass
