Radio

Suckas never play me coz i dont let em  
They like a pimp, on they hoe sweat em  
When i do a show i love to catch a ladies eye  
Thas a paperatsie's eye i dont wanna see no lady die  
Sports, entertainment, academics, business and politics  
Fine hoes swallow dicks, for dollas quick  
Young boys roll up in gangs like young lords  
Jump off statutory rape and now your done for  
What you thought that shawrty about to act a rage(nope)  
Right now somebody's daughter is backstage  
Its a master's label relationship and guess who told me  
Its the white girl from Colarada and guess who Kobe  
Try to tell you not to fall with this everytime  
Thats more cobie beef than Japanese restaurants  
Dont need these disease and case's ain't tryna catch nuttin'  
And when they throwing pussy best believe you catchin' sum'thing
