

Talib Kweli, Everything Man

I don't, remember the first time I heard Kwe-li
I don't remember what I was doing
There were no remembered witnesses to my doings
But it seems like I've known him, forever
He who has, moved through mornings and midnights
Through, deaths and dawns
To document our bones our blood our lives
Listen, listen to his exact wings
Strumming mists from clouds
Listen, listen a man always punctual with his, mouth
Listen to his, revolution of syllables
Scoping lightning from his pores
Keeping time, with his hurricane beat
Asking us to pick ourselves up and become, THUNDER

Yeah, they say you can't please everybody...
Let's go! Yeah, ay, they ain't know what that sound like

Feel the heartbeat, feel the heartbeat
On your eardrum, we got a new heartbeat
Feel the heartbeat, feel the heartbeat
On your eardrum, we got a new heartbeat

Yo, what becomes of a dream deferred
that never makes it to the world to be seen or heard
Do it breathe? Do it got a heartbeat? Is it alive?
Do it leave, only to become a star in the sky?
I believe, no scratch that I know, this ain't my full potential
Only usin 10 percent of my mental on instrumentals
But incidentally my, energy heavenly
Can he be so ill there ain't no, pill or no remedy
The, maker of memories possess the recipe to your fate
Make no mistake there ain't no escapin your destiny
Especially when, 'til death do us part, like wedding rings
I'll be here forever, put that on e'rything

You're everything maaaaaaaan!
You're everything maaaaaaaan!

Your Alpha and your Omega, your beginning and your end
Your father, your brother, your lover your friend
The blood in your vein that gets spilled and, runs in the drain
That's right my flow one and the same, the joy and the pain
My name, the burner that destroy the toy and the train
All city all night I'm enjoyin the fame
I'm a hustler, I'm a gangster and a rebel with the rank of a general
In the battle between God or the Devil
I lay claim to your spirit, your religion, your belief system
I'll do your hit in your kitchen and you're relief pitchin
This kid proficient in, every position
The man of your dreams and your nightmares commandin your vision
'Til it's quite clear like light beer, yeah I'm standin right here
I get you hot but stay cooler than the night air
I try to fit it in the same rhyme
But realize, I can't be everything to everyone at the same time

You're everything maaaaaaaan!
You're everything maaaaaaaan!

First time I heard him, I was in Japan
Seems like the first time I heard him was like, the Reflection, Reflection Eternal
Like when Kanye came out I guess was when I started to listen, I hate to say that but
New York native, and serious Talib fan

I came all the way from Puerto Rico just to see Talib Kweli
Him, Mos Def all of them man, I need them out here in my life
It's a rainy morning in New York City
