

# Talking Heads, Hey Now

I wanna bicycle  
I wanna popsicle  
I wanna space face  
Buy me a cherry face now

Hey now!  
Hey now!  
Hey now now!  
Hey now!  
Hey now!  
Hey now now!

I wanna video  
I wanna rock and roll  
Take me to the shopping mall  
Buy me a rubber ball now

Hey now!  
Hey now!  
Hey now now!  
Hey now!  
Hey now!  
Hey now now!

Every night sun goes down  
And the people are staying at home  
You can tell your momma & daddy  
Leave those children alone

They know what they're doin'  
They ain't runnin' away  
Uncle John said, "Tell Aunt Mary  
I got nothing to say"  
(And she say:)

Hey now!  
Hey now!  
Hey now now!  
Hey now!  
Hey now!  
Hey now now!

Ho---  
Would the light come hitcha in the eye  
Hey---  
Gonna stop, gonna getcha by surprise!

Every night when the sun goes down
