

# Tam Tam Go, Secret Lover

Boy, I want to have a toy  
and search for new release  
I hope I&#039;ll find a secret lover  
I can&#039;t carry on this way  
being watched even in hell  
I hope I&#039;ll find a secret lover  
just find my secret lover

In the air I&#039;ve got her  
out of the sky she moans  
and by the time that I meet her  
Will her facer just turn odd?

Boy, did you ever have a toy?  
I&#039;d run two thousand miles  
to find a secret lover  
to find my secret lover  
I might look for hidden charms  
Well, I think that is too hard  
to find a secret lover, to find my secret lover

In the air I&#039;ve got her  
out of the sky she moans  
and by the time that I meet her  
Will her facer just turn odd?  
I won&#039;t cry, I won&#039;t cry

Boy, you think this is the end but well,  
Let&#039;s play the game  
to find a secret lover  
to find my secret lover  
Hey, my intimate stranger, however much I boozed  
to find a secret lover, to find my secret lover

In the air I&#039;ve got her  
out of the sky she moans  
and by the time that I meet her  
Will her facer just turn odd?  
I won&#039;t cry, I won&#039;t cry
