## Tamar, You Don't Know

Everybody's dancin' with the new determination

But that U didn't know

Dancing is the move, played with further isolation

Let your body go

We'll let you know we've got only good intentions

It's all right just do it with convictions (Everybody)

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

Everybody's cool in the mood, no insurrection

But that U didn't know

Body rock conviction with new dancer's great sensation

U got 2 lose control

We'll let U know we've got only good intentions

It's all right just do it with convictions (Everybody)

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

(guitar solo)

Öh oh oh oh oh oh oh

Oh oh Everybody Dance

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

Now everybody's dancing with the new determination

But that U didn't know

Dancing is the move, played with further isolation

So let your body go

We'll let U know we've got only good intentions

It's all right just do it with convictions (Everybody)

We'll let you know

We'll let you know

(Everybody)

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

Oh oh oh oh oh oh oh

Oh oh Everybody Dance

(guitar solo to fade)
