

Tamia, Become Us

[spoken]
oh yea
im feelin this one right here
mm hmm

dont know
i don't know whats goin on
somethins happened
i just don't feel the same at all
when you touch me
i just have to close my eyes
each time you hug me
i feel us happening inside.

i and i
im about to say wats been forbidden between us
baby somethings about to happen
tell me u can not feel us falling
u and i
are about to become us

feels like
feels like i been going crazy for ur lovin
and even though were only friends
i need much more than
so much more of you than what u have been givin

i feel us happening inside

i and i
im about to say wats been forbidden between us
baby somethings about to happen
tell me u can not feel us falling
u and i
are about to become us

we could become 1 babe
so much more in love
and i love u baby
i trust u babe
with my heart

baby somethings about to happen
tell me u can not feel us falling
baby somethings about to happen
tell me u can not feel us falling
baby somethings about to happen
tell me u can not feel us falling
baby somethings about to happen
tell me u can not feel us falling

were about to be us
bout to become us
