

# Tamia, Gotta Move On

Verse1 :

Every now and then  
I seem to get this funny feelin'  
When it comes to me and you  
Can't say how or when  
But your love keeps takin' over  
And I don't know what to do

Well, I think that you oughta let me know what  
What you're gonna do  
'Cause time's wasting, baby much too fast and  
I need to know if it's true  
(So baby let me know)

Chorus :

Baby, let me know if you want me  
I really wanna know if you want me  
And baby, if you don't tell me something  
I gotta move on

'Cause everybody needs a little lovin'

And you're the only one that I wanna be with  
I'm sorry if you don't tell me something  
But I gotta move on

Verse2 :

Baby, understand  
I need more than conversation,  
I need action from a man  
'Cause I'll do all I can  
To keep our love from going under  
Now it's time you take a stand

Well, I think that you oughta let me know what  
What you're gonna do  
'Cause time's wasting, baby much too fast and  
I need to know if it's true  
(So baby let me know)

Chorus
