

Tamia, Un'h...To You

Can I have a moment just to talk to you?
Let me just explain what I been goin' through
So fine you are
Got my mind messed up
You got me thinkin' things most blissfully
Tell me if you want me

Chorus

Un'h, when I think of you
Un'h, makes me wanna do
Un'h, crazy things when I'm alone with you
Un'h, when the lights go out
Un'h, that's when I'm all about
Un'h, un'h, to you

If you wanna see what's really goin' on
Don't you wanna find the spot that turns me on
I can tell you've got what it takes
To satisfy me
I must admit it baby, oh oh

Bridge

When I start to fantasize
You were there rubbin' on my thighs
Touchin' me, and kissin' me
Feels so real, like you're here with me

Chorus x2 & Bridge

Oh baby
(For the playin' niggas)
(For the playin' niggas)
(For the playin' niggas)
(For the playin')
Un'h, un'h
(For the playin' niggas)
Un'h, un'h
(For the playin' niggas)
Un'h, un'h
(For the playin' niggas)
Un'h, un'h
When I think of you
