

# Tammy Cochran, If I'm Gonna Lose Ya

Come, taking a ride, off to one side,  
It is a personal thing  
Where, when I can stand up  
In this cage I'm not regretting.  
I don't need a better thing,  
I'll settle for less.  
It's another thing for me,  
I just have to wander through this world'.alone.

Stop, before you fall  
Into that hole that I have dug here.  
Rest, even as you  
Are starting to feel the way I used to.  
I don't need a better thing,  
Just to sound confused.  
Don't talk about everyone,  
I am not amused.....by you.

Cuz I'm gonna lose ya  
Yes, I'm gonna lose ya  
If I'm gonna lose ya  
Cuz I'm gonna lose ya  
Yes, I'm gonna lose ya  
If I'm gonna lose ya, I'll lose ya now for sure.
