Tammy Wynette, Phone Call

Hello who's speaking mama I didn't think it was you
I've had a hard time reaching you
Now mama don't start crying don't worry I'm all right you see
You know how he's mistreated me
If I'd stayed at home what would people say
After all that's happened it doesn't matter anyway
Mama your little girl gets lonely in a big old town like this
I wish I had my teddy bear to sleep with
But mama how are you yes I'll call you in a week or so my time is up I'll have to go My time is up I'll
