PLAYIN' AROUND WITH LOVE

Not too long ago you said to me  
I believe it's time you set me free  
Cause I found a woman who knows how to love me right  
And she don't mind if I lay out all night  
And you said hallelujah this woman sure gets to ya  
I fin'ly found peace of mind  
Singin' hallelujah you don't know what good it'll do ya  
Playin' around with love'll do it everytime  
But then one day she felt like movin' on  
One goodbye and you were all alone  
And it's funny I could almost hear the sound  
When your whole world came tumbling to the ground  
And I said hallelujah that woman socked it to ya  
Just walked away and blew your mind  
Singin' hallelujah you got what's comin' to ya  
Playin' around with love'll do it everytime  
But it seems that I'm not too satisfied  
With the brand new love that's walking by my side  
Cause already there's an old love on my mind  
Playin' around with love'll do it everytime
