

Tammy Wynette, Set Me Free

If you think you've had enough if you think our life's been rough
Why not take your love line off of me and set me free
If you think our love's all wrong and you feel the fire is gone
If I'm not what you'd like for me to be set me free
Set me free and let me fly like a bluebird fly in high
Release the chains that bind me to be set me free
But you can't likes to hold on onto love till it grows cold
And you held on much too long to me so set me free
Set me free and let me fly like a bluebird fly in high
Release the chains that bind me to be set me free set me free
