

Tammy Wynette, Take Me to Your World

If you can find it in your heart
To just forgive
I'll come back and live the way
You wanted me to live

All I want is just to be your girl
Please come and get me
And take me to your world

Take me to your world
Away from bar rooms filled with smoke
Where I won't have to serve a drink
Or hear another dirty joke

All I want is just to be your girl
Please come and get me
And take me to your world

Take me to your world
Make me forget the things I've heard
Where people say, "I love you"
And love is not a dirty word

All I want is just to be your girl
Please come and get me
And take me to your world

Please come and get me
And take me to your world
