

# Tammy Wynette, When Jesus Takes His Children

This world that we are livin' in has seen its better days  
Jesus said he would return and I believe he's on his way  
You better change your way of livin' I hope your soul is saved  
If you want to go with Jesus on that judgement day  
When Gabriel makes his trumpet sound what beautiful sight  
I hope your name is written down in the book of life  
If you don't have salvation and you've never learned to pray  
You can't go with Jesus on that judgement day  
When Jesus comes to take his children home sweet home  
To beautiful mansion in the sweet by and by  
We'll cross the Jordan river singin' a song  
When Jesus comes to take his children home  
When Jesus comes...  
When Jesus comes to take his children home
