

# Tamperer, Feel It

You got it on the side  
A little one night thing  
I thought it over and this time I will forgive you  
Well I'm not letting go  
But don't forget I know  
You made your bed and she was in it, no no no

What's she gonna look like with a chimney on her?  
What's she gonna look like with a chimney on her?  
What's she gonna look like with a chimney on her?  
What's she gonna look like with a chimney on her?

Well I'm not blaming you  
But she's still hanging around  
And she's so crazy, tell ya now I just don't trust her  
She thinks she's right on time  
But I think she crossed the line  
And I'm ready for the ride, I'm ready if it's fighting time

What she's gonna look like with a chimney on her?  
What's she gonna look like with a chimney on her?  
What's she gonna look like with a chimney on her?
