

Tamperer, Hammer To The Heart

Boom boom!
Boom boom!

Boom boom boom
Like a hammer to the heart
Just one look at you, oh baby

Saw you in a picture
That hung on the wall
My sister told me you were the bomb
There was no attraction
Other than our own
Now you're my favourite line in my favourite song

You with your persistence
Blew off my resistance

Boom boom boom
Like a hammer to the heart
Just one look at you and baby
I was blown apart
Boom boom boom
Yeah I knew right from the start
This was something new, oh baby
Hammer to the heart

Hammer to the heart

You knew what you were doing
When you hit the spot
Sexual Messiah, you know what you got (you sure do)
Take me to heaven
Let's keep it hot
And show me the tricks that the devil forgot

Come on boy erotic
You're my love narcotic

Boom boom boom
Like a hammer to the heart
Just one look at you and baby
I was blown apart
Boom boom boom
Yeah I knew right from the start
This was something new, oh baby
Hammer to the heart

Hammer to the heart

Boom boom!
Got a craving for my love narcotic
Boom boom!
Send a message to my boy erotic
Boom boom!
And now you're going like a rocket
Boom boom boom boom boom boom boom boom!

You with your persistence
Blew off my resistance

Boom boom!
Boom boom! (Like a hammer to the heart)
Boom boom!
Boom boom! (Like a hammer to the heart)

Boom!
Boom!
Boom boom boom boom!

Boom boom boom
Like a hammer to the heart
Just one look at you and baby
I was blown apart
Boom boom boom
Yeah I knew right from the start
This was something new, oh baby

Boom boom boom
Like a hammer to the heart
Just one look at you and baby
I was blown apart
Boom boom boom
Yeah I knew right from the start
This was something new, oh baby
Hammer to the heart

Boom boom!
Hammer to the heart
Boom boom!
Hammer to the heart
Boom boom!
Hammer to the heart
Boom boom boom boom boom boom boom boom!
Hammer to the heart
