

# Tanita Tikaram, Let's Make Everybody Smile Today

Oh let's make everybody smile today  
Yeah, let's make everybody smile today  
Oh yes, you could be classic, could be blue  
Sometimes it's easy to see through you  
Summer birdcage it's nice and tight  
But let me show you it's just lies, lies, lies

Oh let's make everybody smile today  
Yeah, let's make everybody smile today  
Oh yes, a reason's given, I'm wiped out  
But it's really not something we talk about  
Amazing castles, it's just all in your mind  
Could stay together but takes time, time, time

Well you can't change something solid  
It's a rare rather obvious fact  
It was written in an ancient text  
We're always looking back  
I could always pose the question  
I could always make you laugh  
I could always run rings round you  
But I'd make amends and give you half

Oh let's make everybody smile today  
Yeah, let's make everybody smile today  
Oh yes, you check it out boys, it all sounds clear  
I'm not moving, I'm staying here  
But watch me walking right through that door  
That's the sum of it, I want more, more, more

You don't have to talk to me  
You don't have to think like me  
To make me believe what you're saying  
You don't even have to wanna be  
And the things I'm doing now, I'm doing now for you

Oh let's make everybody smile today  
Yeah, let's make everybody smile today  
Oh yes, you could be classic, could be blue  
Sometimes it's easy to see through you  
Amazing castles, it's just all in your mind  
Could stay together but takes time, time, time
