

Tank, I'm Coming Home

I Don't Know Girl Why I Could Walk Out On You Babe
I Was So Cold I Did You All So Wrong Yeah...
The Day I Bounced On You You Might Not Even Take Me
But I'm Beggin So Please Pick Up The Phone Cause

[Chorus:]

I'm Coming Home To You (Comin' Home Suga)
I'm Coming Home To You
I Know It's Been Awhile But I Need The Way You Kiss
I Need The Way You Touch Oooh I'm Cominghome To You

When You Told Me You Were Fed Up With My Shit
It Was Ego That Made Me Turn It Around
I Told You Names And Said You'd Miss Me When I Leave
But Look At Me I Really Need You Now Cause

I'm Coming Home To You
I'm Coming Home To You It's Been Awhile
I Need The Way You Kiss
I Need The Way You Touch Me

[Hook:]

I Need To Get Back Wit My Girl
I Need To Get Back Wit My Girl
I Need To Get Back With My Girl My Girl My Girl

I Need To Get Back Wit My Girl
I Need To Get Back Wit My Girl
I Need To Get Back With My Girl My Girl My Girl

[Chorus: Until Fade]

C'mon Babe Open Up The Door Babe C'mon Babe Ya Trippin I'm C'mon
Now Open The Door I Need You In My Life
