

# Tank, I'm The Reason

[VERSE 1:]

Many nights I wondered why  
You was just something in my life  
Many days I stayed at home  
Tired of life just need to be alone

[BRIDGE:]

I can't see life without you and me  
I can't see or be anything else  
You're long gone when I need you here  
And I can't blame nobody but myself

[CHORUS:]

So I'm the reason why we apart  
I'm the reason why you won't stay  
I'm the cause of these broken hearts  
I'm the reason why love I know is leaving my life

[VERSE 2:]

Many night I followed you  
Just to see if you were telling the truth  
Many days I questioned you  
I just didn't trust what you said you'll do

[BRIDGE:]

I can't see life without you and me  
I can't see or be anything else (oh yes)  
You're long gone when I need you here  
And I can't blame nobody but myself

[CHORUS:]

So I'm the reason why we apart  
I'm the reason why you won't stay  
I'm the cause of these broken hearts  
I'm the reason why love I know is leaving my life

So I'm the reason why we apart  
I'm the reason why you won't stay (ohhh)  
I'm the cause of these broken hearts  
I'm the reason why

[x5] I'm the reason why
