

Tank, My Heart

[Verse 1:]

I Still Announce I'm Home When I Get In From Work
The Thought Of You Being There Erases All The Hurt
I Check The Fridge Cuz Dinner Aint Sittin On The Table
I Wanna Try To Eat But Gurl I Just Aint Able

[Bridge:]

Am I Trippin, Did U Really Tell Me It's Over
Did U Pack Ur Bags And Drive Off In My Range Rover
Maybe I, Maybe I, Maybe I Should Have Loved U So Much More
Cuz My Heart Dont Wanna Let Go

[Chorus:]

Still Got Ur Picture Right Next To My Bed
Still Smell The Perfume That U Used To Wear
The Life I Had Wit U Is All I Know
And My Heart Dont Wanna Let Go
Gurl U Know That I Tried
To Live Without U Baby
But I Still Miss U Like Crazy
Without U In This House, It's So Damn Cold
And My Heart Dont Wanna, My Heart Dont Wanna Let Go.

[Verse 2:]

Oh, I Leave The Seat Up And Expect To Hear Ur Mouth
My Clothes Aint Washed And Folded, What's That All About
My Bowls, My Cups, My Plates All Piled Up In The Kitchen
I'm Steady Callin Ur Name, But It Seem Like U Aint Listenin

[Bridge]

[Chorus]

[Bridge 2:]

Gurl U Must Not Understand How Much I Need U
I'm Incomplete Without U
I Had To Be A Fool To Even Try To
Baby Can U Find It In Ur Heart
Give Us A Chance
Our Life Is Gone
I'm Begging U To Come Back Home
Oh, Gurl I Know Right Here Is Where U Belong

[Chorus]
