

Tank, When

[Talk:]

Come on baby talk to me.
You know cause when you feel your body
Getting ready to let go just let me know when

[Verse 1:]

Tonight the only thing that I will ever ask of you
Tell me when um
I'm tring to make you feel it holla at me when you do
Tell me when um
Don't keep it to yourslef you know I wanna hear from you
Tell me when oh
And if I hit the spot let me know I'll come too and tell you when

[Chorus:]

When I'm hoping that
When your body says when
You'll just let go
When you're open up
When your screaming out when
Don't stop the show
When when when
I'm putin this work in so
when are you cum'nn oh
When when oh when
Girl tell me when
When we when we when

[Verse 2:]

Girl open up your wall cause let me see who's new in town
Meet your friend oh
Been waiting to get started I'm a knock the bottom out
Can we begin?
I wanna get it
get it
I wanna hit it
And when I'm gone for a long time I want you to miss it
And while we freakin
Your barely speakin
Let me know oh when

[Chorus:]

When I'm hoping that
When your body says when
You'll just let go
When you're open up
When your screaming out when
Don't stop the show
When when when
I'm putting this work in so when are you cum'n oh
When when when when when
When when when when when when
Oh oh
Girl tell me when
When we when we when

[Climax:]

Here comes when
Stroke is getting faster
Nails is in my back and oh
Here comes when
Bodies getting harder
the nipples getting harder oh
It's shaken it's throbbing just slow down baby breath

Hold on
Hold on wait a minute um hum
Ok now here we go
Here we go
I'm with you girl lets blow
Blow
You just gotta let me know
Girl tell me when oh

[Chorus:]

I'm hoping that when your body says when
Don't stop the show oh
When you're open up
When your screaming out when
You open up scream
Don't stop the show
When when when
I'm puting this work in so when are you com'n oh
puting this work in oh oh
When when oh when
Oh when when when when
Girl tell me when
Girl When we when we when oh
Girl tell me when
Said I wanna know when that feeling comes over you
When
Tell me when it's going down
Girl tell me when
Make a sound
When we when when when
Say when
Girl tell me when
Say when when yeah
Let me hear you say when
Girl tell me oh
Girl tell me when
When
When
