Tank, When

[Talk:]

Come on baby talk to me.

You know cause when you feel your body Getting ready to let go just let me know when

[Verse 1:]

Tonight the only thing that I will ever ask of you

Tell me when um

I'm tring to make you feel it holla at me when you do

Tell me when um

Don't keep it to yourslef you know I wonna hear from you

Tell me when oh

And if I hit the spot let me know I'll come too and tell you when

[Chorus:]

When I'm hoping that

When your body says when

You'll just let go

When you're open up

When your screaming out when

Don't stop the show

When when when

I'm putin this work in so

when are you cum'nn oh

When when oh when

Girl tell me when

When we when we when

[Verse 2:]

Girl open up your wall cause let me see who's new in town

Meet your friend oh

Been waiting to get started I'm a knock the bottom out

Can we begin?

I wanna get it

get it

I wanna hit it

And when I'm gone for a long time I want you to miss it

And while we freakin

Your barely speakin

Let me know oh when

[Chorus:]

When I'm hoping that

When your body says when

You'll just let go

When you're open up

When your screaming out when

Don't stop the show

When when when

I'm putting this work in so when are you cum'n oh

When when when when

When when when when when

Oh oh

Girl tell me when

When we when we when

[Climax:]

Here comes when

Stroke is getting faster

Nails is in my back and oh

Here comes when

Bodies getting harder

the nipples getting harder oh

It's shaken it's throbbing just slow down baby breath

Hold on
Hold on wait a minute um hum
Ok now here we go
Here we go
I'm with you girl lets blow
Blow
You just gotta let me know
Girl tell me when oh

[Chorus:]

I'm hoping that when your body says when

Don't stop the show oh When you're open up

When your screaming out when

You open up scream Don't stop the show

When when when

I'm puting this work in so when are you com'n oh

puting this work in oh oh When when oh when

Oh when when when

Girl tell me when

Girl When we when we when oh

Girl tell me when

Said I wanna know when that feeling comes over you

When

Tell me when it's going down

Girl tell me when Make a sound

When we when when when

Say when

Girl tell me when

Say when when yeah

Let me hear you say when

Girl tell me oh

Girl tell me when

When

When
