

# Tankard, Alcohol

Drinkin' beer somewhere with me  
Playin' loud and poppers flee  
I want booze and beer and wine  
To be drunk it's so fine  
It's so fine!

Come and drink alcohol!  
Come and drink beer with me!  
Come and drink alcohol!  
Come and drink wine with me!

Pukin' all day all night ling,  
Come let's dance to another song  
Playin' destructive bangin' metal  
Come, let's fight this battle...

Come and drink alcohol!  
Come and drink beer with me!  
Come and drink alcohol!  
Come and drink wine with me!

Drinkin' beer somewhere with me  
Playin' loud and poppers flee  
I want booze and beer and wine  
To be drunk it's so fine  
It's so fine!

Come and drink alcohol!  
Come and drink beer with me!  
Come and drink alcohol!  
Come and drink wine with me!!!
