

# Tanya Stephens, The Truth

Well If Wishes Were Horses  
Beggars Would Cry  
I'd Get Passed My Pride  
You'd Be By My Side  
I Wouldnt Be Holding On To Memories  
I Wouldnt Need Them Cus You Would Be Here With Me  
I'd Be Seperate And Complete Was My Confusion  
My Generosity Was My Retrobusion  
So Caught Up What I Wanted U To Be  
Conviced That Perfection Meant Spot Free

Boy... Look At Me Now  
A Shadow Of My Former Glory  
And The Moral Of My Story

If I Seem Like Im Holdin It Down  
But If U Wanna Know The Truth  
Im Slowly Losing My Ground  
And If U Wanna Know The Truth  
Theres No One Keepin Me Warm  
But If U Wanna Know The Truth  
Im Only Good In Your Arms  
If You Wanna Know....

I Miss The Way U Used To Say I Wanna Bone Ya  
But I Have To Resisit The Urge To Phone Ya  
U Must Of Moved On Its Be Ova A Year  
And It Wouldnt Be Be Fair To Burin You With My Tears  
I Know I Said I Didnt Need U And I'll Be Alright  
But I Got A Much Different Story Tonight  
I Miss U Laughter Such A Beautiful Thing  
Now The Silence No Noises And Ooooh

Boy... Look At Me Now  
A Shadow Of My Former Glory  
And The Moral Of My Story

If I Seem Like Im Holdin It Down  
But If U Wanna Know The Truth  
Im Slowly Losing My Ground  
And If U Wanna Know The Truth  
Theres No One Keepin Me Warm  
But If U Wanna Know The Truth  
Im Only Good In Your Arms  
If You Wanna Know....

Boy... Look At Me Now  
A Shadow Of My Former Glory  
And The Moral Of My Story

If I Seem Like Im Holdin It Down  
But If U Wanna Know The Truth  
Im Slowly Losing My Ground  
And If U Wanna Know The Truth  
Theres No One Keepin Me Warm  
But If U Wanna Know The Truth  
Im Only Good In Your Arms  
If You Wanna Know....

Now Keep Wishin  
And Keep Prayin Ooooh  
And Keep Sayin

Boy... Look At Me Now

A Shadow Of My Former Glory  
And The Moral Of My Story

If I Seem Like Im Holdin It Down  
But If U Wanna Know The Truth  
Im Slowly Losing My Ground  
And If U Wanna Know The Truth  
Theres No One Keepin Me Warm  
But If U Wanna Know The Truth  
Im Only Good In Your Arms  
If You Wanna Know...
