

# Tanya Tucker, Depend On You

Broken glass lies on the bedroom floor a broken dream lies in my head  
I was counting on a big surprise but I got a big surprise instead  
I didn't know people could change so fast I didn't see the game you played  
Now the morning finds me somewhere in the past hanging on the promises we made  
I know that life is just a big and restless ocean  
With the wind and the water always changin' view  
And I've always been the kind didn't count on much  
But I thought I could depend on you yeah mhm

Weatherman says it's gonna rain today and yes I believe he's right  
My face is feeling just a little bit wet with a big storm coming through tonight  
I know that life is just a big and restless ocean...
