

Tanya Tucker, Don't Go Out

Tanya Tucker with T. Graham Brown

(TANYA TUCKER)

Baby, your heart is in serious danger,
Don't go out with her.
She'll lead you on, treat you like a stranger,
Don't go out with her.
You need someone like me,
Who'll love you endlessly.

(T. GRAHAM BROWN)

Baby, your headed for a brand new heartache,
Don't go out with him.
The fire of midnight burns out at daybreak,
Don't go out with him.
Darling wake up and see,
I'm waiting patiently.

(BOTH)

My love is everything you'll ever need,
I'll start by holding your heart close to me.

(TANYA TUCKER)

I know just what she'll do,
Her kind is never true,

(T. GRAHAM BROWN)

He can't take care of you like me.

(TANYA TUCKER)

I know a place where love is for certain.
Don't go out with her.

(T. GRAHAM BROWN)

Bring me your heart, there won't be no hurtin',
Don't go out with him.

(BOTH)

When it's all said and done,
I'll be your only one.

(TANYA TUCKER)
