

Tanya Tucker, Dream Lover

[duet with Glen Campbell]

Every night I hope in pray a dream lover will come my way
Hold in the lovin' arms and know the magic of her charms
Cause I want (I want) a girl (a boy) just to call (to call) my own
I want a dream lover so I don't have to dream alone

Dream lover where are you with the love oh so true
And the hands that I can hold count the minutes as we grow old
Cause I want (I want) a girl...

Some day I don't know how I hope she'll hear my plea
Some way I don't know how she'll bring her love to me
Dream lover until then I'll go to sleep and dream again
That's the only thing I could do to make my lovin' dreams come true
Cause I want (I want) a girl...
I want a dream lover so I don't have to dream alone
Dream lover don't wanna dream (I don't wanna dream alone)
Dream lover dream out dream out dream lover (I don't wanna) dream alone
Dream lover let's dream dream lover oh my lovin' sweet dreams dream lover
