

# Tanya Tucker, Find Out What's Happenin'

(Jerry Crutchfield)

Baby, you know me well  
You know I mean what I say  
Before I say 'farewell'  
I'll give you just another day  
You'd better find out what's happening  
Find out what's happening before long  
If you don't find out what's happening  
You're gonna find out that I'm gone  
Tell me what you're gonna do  
You better make up your mind  
It all depends on you  
Or I'm leaving you far behind  
Baby, you know it's true  
We've been through thick and thin  
But if you don't come through  
You won't ever see me again
