

Tapping The Vein, Another Day Down

My one and only hope
Gifted me a length of rope
Tied in a lovely bow
I wonder if it will hold

But I am not defeated yet
Because I believe we'll meet again

Another day down
Another day down
Another day down
Another day down

I feel my only chance is
Filtering through my hands
And pulling, as it goes
Trembling flesh from bone

But I cannot admit it yet

Another day down
Another day down
Another day down
Another day down
Day down

If there was a way that
I could get my head around this
Don't you think I would?
Why did you say all the things that you said to me?
I don't know how you could

But I'm planning to stay alive
I am planning to stay alive
Long enough to see for myself

Another day down
Another day down
Another day down
Another day down
