

# Tapping The Vein, Complicate It

There isn't a delicate plan involved  
I'll just copy myself a key  
And then at 4:00 in the morning,  
I'll come and kill you dead in your sleep

Whoa whoa whoa, ohh ohh  
Whoa whoa whoa, ohh ohh

I would, indeed,  
But I don't care to complicate it  
I could, indeed,  
But I don't care to complicate it

Imagine, it's going to rain again  
Seems like a pretty good day to die  
Don't worry, I'll offer you company  
As I stare you straight in the eye

Whoa whoa whoa, ohh ohh  
Whoa whoa whoa, ohh ohh

I would, indeed,  
But I don't care to complicate it  
I could, indeed,  
But I don't care to complicate it

And this will be more fun than I have had in years  
And if you feign to feel again, crocodile tears

Indeed, I don't care to complicate it  
I could, indeed,  
But I don't care to complicate it

I believe I could, indeed  
I could, indeed,  
But I don't care to complicate it
