

Tapping The Vein, Falling In

I realize this is one man's sin
but I can't deny that you're pulling me in
you found a way to get inside my head

and yes, I'm gonna know better than to sleep with you
but at the same time I've got this need to feel you
let me put my hands all over you

I feel I'm falling in

if I threw you off I didn't intend to
I'm just wondering, do you feel me too?
and you've no idea what I'd do to you, now, do you? do you?
well, I do

come lie with me and then
let me touch you for hours on end
steal a little piece of happiness

and yes, I ought to know better and I've thought it through
but I can't shake the need to please you
tell me what you need, I'll give it to you

I feel I'm falling in

if I threw you off I didn't intend to
I just want to know, do you feel it too?
do you want to know what I'd do to you, now, do you? do you?
well, sure you do

and if I threw you off I didn't intend to
I'm just wondering, do you feel me too?
and you've no idea what I'd do to you, now, do you? do you?

didn't mean to offend you
I'm just wondering, do you feel it too?

and I want to know, do you want me too, now, do you? do you?
well, maybe you do...
